### Finding your way around the blog

Type a word or phrase to search for and press Enter or click on the magnifying glass

This featured blog article, usually remains at the top of the list for a few weeks

Click on any of the 'read more' links to see the full article

An introduction to the blog and links to find out more

Select a category to view all the articles relating to that screening programme

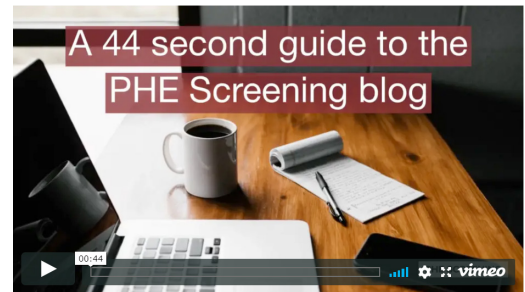

Links to other useful screening information

Click on a blog tag to find all the articles on that topic. The 'monthly roundup' tag shows all our monthly summary blogs

Click on the email link to subscribe to the blog and receive email notifications

Find out how we decide which user comments to publish

Use these links to move between pages

Watch this short video for a quick overview of using the blog:  
[vimeo.com/294618535](https://vimeo.com/294618535)

To get the most from the blog, make sure you know how to:

- find articles by screening programme (category) or topic (tag)
- subscribe to the blog so you receive email notifications about new articles

Contact the screening helpdesk if you have any questions about the blog. You can also suggest ideas for articles or even volunteer to be a guest author!
